Current Task

Quote tweeting @anonchain's vulnerable post about wanting a family after seeing a father-son moment at a crypto event.

Shane's draft:

PSA: Having Kids is the greatest thing you do. It's the ultimate rite of passage. If it's possible for you, do it - it's your birthright. Your life will enrich x1000.

Similar past post ("not having kids is dumbest life hack") got 7,716 impressions. Consider adding personal element to connect with original post's vulnerability.
